## ORBICOM - UNESCO MEETING IN PARIS

Source: Unesco

We are proud to inform that the meeting of chairs and associate members of the Network of UNESCO Chairs in Communication (Orbicom) will take place at the UNESCO annex (Miollis street) on 29 - 30 May.

This forum will be the opportunity for the chair holders and the associates members of Orbicom to reenergize the network and to present their work and exchange views with the UNESCO staff of the Communication and Information Sector. Among the many topics, the participants will discuss what it means to be UNESCO chair holders, common researches, international dimension of the chairs, regional collaboration, support of UNESCO programs and better

### La Declaración de Cartago

[La Declaración de Cartago - el 3 de mayo de 2012](#) (en inglés).

La conferencia del Día Mundial de la Libertad de Prensa en Cartago, Túnez, 3-5 de mayo de 2012.

### The Internet Society Expresses Concern about Cybersecurity Legislation currently under Consideration in the United States

The Internet Society (ISOC) is concerned about cybersecurity legislation currently under consideration in the United States. The proposed Cyber Intelligence Sharing and Protection Act (CISPA) was passed last week by the House of Representatives and cybersecurity legislation may go to the Senate floor this month.
